Experience:

Email Abuse and Delivery Specialist

VerticalResponse, Inc.

August 2011 – March 2012

Cambridge, MA

- Managed process of all abuse claims, including creating reports and dashboards in Salesforce.com, to better track progress of abuse and delivery issues.
- Created monthly blog posts regarding Email delivery and abuse issues
- Initiated process changes to vastly improve efficiency and turn around time of abuse claim processing
- Assisted staff with online training sessions, via GoToMeeting and Skype.

Customer Support Representative

VerticalResponse, Inc.

October 2007 – August 2011

Cambridge, MA

- Provided troubleshooting and training for company online applications, including various HTML editors, image editing, list management systems, and multiple browser expertise.
- Answered inbound phone calls, online chats, and email.
- Initiated proactive outbound contact with new customers to ensure ease of implementation and establish relationship with our support team.
- Created, updated, and maintained internal and external training documents.

Charity Relations Manager

Firstgiving, Inc.

2006 – 2007

Somerville, MA

- Trained nonprofit development directors and their staff, in person and via the internet, on how to use the internet to increase their fundraising results by 20-200%.
- Used online database at Salesforce.com to maintain contracts and contact information for over 1000 US nonprofits.
- Wrote and edited entries in company blog and quarterly newsletter, distributed to thousands of subscribers.
- Set up and edited new and existing fundraising web pages for more than 100 nonprofits. Used web authoring and image editing software. Created and edited hundreds of digital images and documents.
